ANIGHTSIDE 7072

28, HYDE PARK GATE,

LONDON. S W 7

May, 1965

Dear Mr. Mayor,

My Family and I send our true thanks to you and to the people of St. Albert for the tribute you pay to my Husband's memory in giving his name to an avenue in your town.

I am glad that Sir Ralph Perring is performing the unveiling ceremony, and I have asked him to hand this letter to you.

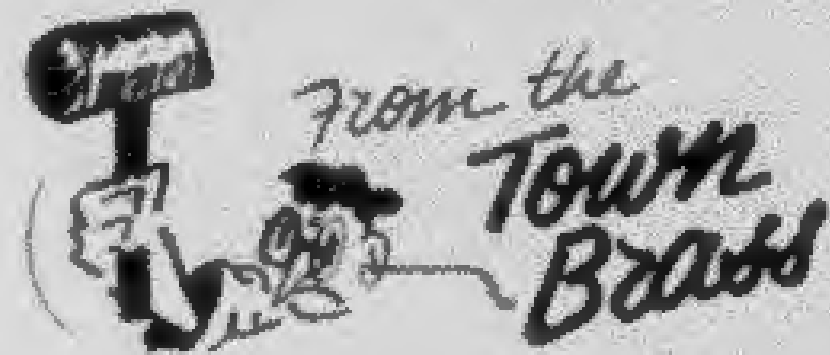

With good wishes to you all,

Yours sincerely,

Clara Estline J. Churchill

The Worshipful The Mayor of St. Albert.

This letter was presented to the Mayor of St. Albert by Sir Ralph Perring, at the recent unveiling of the Sir Winston Churchill Avenue. This is the first official letter written by Lady Churchill since the death of her husband.

A QUORUM OF TWO

Council Meeting, Monday, June 7

Quorum of Mayor and 1 councillor An Order in Council was received allowing the 2 man St. Albert Council to operate as a quorum until the new council is sworn in.

Good News for Scarboro Place Residents Council included the paving of Scarboro Place in the 1965 budget. After four years waiting, the residents will soon be out of the mud.

Petition - Balmoral Drive Some resident in the Balmoral Drive area petitioned council regarding a traffic circle on the east side of Balmoral Drive. Council decided to include the cost of this traffic circle in the 1965 budget. They also petitioned regarding a lot on Balmoral Drive which is full of wheat. They asked council to seed this lot, which is at present an eyesore.

It has been learned that the feature attraction at St. Albert Rodeo 104 will be the trick riding specialty act of the "Duce Sisters", Jerri and Joy of Grande, Alberta. These sisters are the youngest trick riders in Canada and are considered by many to be the most outstanding. They will be putting on their act at three performances of Rodeo 104 and will certainly be a highlight for the children as well as the adults.

Mr. Morley Brown who is handling the Miss Rodeo 104 Queen contest advises that with two weeks remaining the standings are as follows:

1. Jeanne Houle, Miss Beta Sigma Phi
2. Joanne Gravelle, Miss Hercules
3. Anita Arundel, Miss Trio Teen
4. Gail Brewster, Miss Legion
5. Wendy Parkes, Miss Drama Club
6. Sherry Swain, Miss Lions

Mr. Brown informs this reporter that only a few votes separate all six candidates and that any one of these St. Albert girls could easily win the title of Miss Rodeo 104 and the \$100.00 that goes with it. Remember that each chance you buy on the 19" portable TV set is a vote for the candidate selling the ticket. As a point of interest, Mr. Brown advises that Miss Rodeo 104 will be crowned at the Community League Dance on Friday night, June 18th with the draw for the TV set to be made immediately following.

Mr. Forcand, who is heading the Parade Committee, advises that Miss Rodeo 104 and her five attendants will be riding in the parade in open convertibles driven by members of the Kinsmen Club in their colorful new club costumes.

The Parade Committee tells us that entries for the parade are coming in very well and that 5 or 6 bands will be participating as well as a number of floats submitted by various businesses and organizations. There will also be many colorful mounted riding groups, decorated cars, marchers, etc.

Mr. Forcand states that in addition to the perpetual trophy for the entry creating the most crowd interest, the Kinsmen will be awarding 3 trophies to the best entry in each of three separate categories.

As an added feature for the boys and girls, a special invitation is extended to enter the DECORATED BICYCLE CONTEST to be held in conjunction with the parade. The contest is open to all year-

MOSQUITO PLAGUE

Many citizens of our town are complaining about the present plague of mosquitoes in St. Albert. They asked "Why can't I enjoy my property fully, when I pay taxes for it?"

We have been informed that the usual mosquito preventatives were done in the town area, this year using Tossit bombs, which are quite effective. The town didn't have the aerial spray done this year as was done 2 years ago. But even Edmonton, with complete coverage, has still had many complaints by its citizens. It seems that the heavy rains of the past weeks have caused this extraordinarily large mosquito army.

We hope that the town will soon take some drastic measures to reduce this very unpleasant plague to a minimum.

ST. ALBERT KINSMEN RODEO 104

The Kinsmen advise that all facilities at the site of Rodeo 104 on Highway 2 are rapidly nearing completion. The finishing touches are presently being applied and the last remaining major chore the erection of bleachers, will be completed in ample time for the big rodeo, on the 18th and 19th of this month.

Don't forget that advance tickets for these bleachers are now available at Perrons Store and Jim Byrnes Mens Wear as well as the Hudson's Bay Ticket Office in Edmonton.

Once again it should be pointed out that Rodeo 104 will be the only "Civic Day" held at St. Albert this year and is being held in commemoration of the founding of the town of St. Albert 104 years ago.

sters from 7 to 12 years of age. Trophies will be awarded to the boy and girl with the best decorated bike. All that is required is to phone Mr. Forcand at 599-8268 and be on hand at the Grandin Park Recreation area at 9:30 a.m. Saturday, June 19. Any other groups planning on placing an entry in the parade are also urged to call Mr. Forcand at the above number.

It is most satisfying to see that several of the local merchants have gotten behind the theme of Rodeo 104 and have decorated their store windows. Let's hope that more of this type of promotion will take place.

As reported in last week's GAZETTE, we would conclude our feature articles with

Girls Barrel Racing

An added attraction at St. Albert's Rodeo 104, June 18 and 19th, will be Girls Barrel Racing. Barrel Racing is a C.R.C.A. approved event and is often competed by some of the cowboys wives as well as local girls.

Barrel Racing is a timed event with the barrels set up in a cloverleaf fashion. Once the official course has been set up no practising is allowed. A girl may, from a riding position, hold any barrel from falling, if possible. A ten second penalty is assessed for each barrel knocked over. When a contestant knocks over a barrel or goes off course she must finish the course at race speed.

Barrel racing may not be as dangerous as some of the events contested by the men, but it is certainly exciting and a girl must be a strong accomplished rider if she hopes to share in the \$150. added prize money.

We have now completed our series of articles covering the five major rodeo events and girls barrel racing to be held at Rodeo 104. Because next week's Gazette will be the last edition prior to the big event, we will review briefly some of the more important details to watch for while attending Rodeo 104.

"WHAT A PARK SHOULD BE"

(by A.R. GATE, Parks Supt.)

Park areas are no longer a privilege of large cities; many smaller towns have created their own park sites and have realized the advantage and the value of these developments, which does not necessarily require the largest space, but is certainly an important feature.

Town parks serve a two-fold purpose -- physical recreation and visual pleasure. The success of a park system depends on how far these two ideals can be combined. The bleakness of our surroundings is due to the habit of separating beauty from the other aspects of life, and looking upon it as an ornament to be indulged in on special occasions instead of as a necessary and all pervading quality.

Ornamental shrubs can be planted in groups and rest benches should be placed under shade trees. A picnic shelter with refreshments should be centrally located to serve both the picnic area and the sports fields. The picnic ground should be in a well shaded area and well provided with tables, cook-outs, and garbage cans. The toilets also should be located in such a way that screen planting gives them utmost privacy. The sports field must be provided with dressing rooms conveniently located near by. The parking lot should have convenient approaches from a main road and be as close as possible to the picnic area, and not too far from the sports facilities.

Visually the parks must supply the trees which are needed as a foil to the town's architecture. Undoubtedly a park system helps in achieving these two parallel uses of appearance and physical exercise. In a well balanced mind they should be inseparable.

This is the month everyone looks forward to, it seems. It heralds the coming of summer, the promise of relief from the frigid temperatures of winter, the end

of the cool windy precipitation of spring, the hope of warmth, rest and relaxation.

Its thirty days, four week-ends, crammed with dreamed of white weddings, birthdays, anniversaries and dreaded exams - the prelude of summer holidays.

The word June, taken from Juniores, junior branch of Roman legislature. The colors for June are light blue and white the birthstone - pearl, agate or Alexandrite (the meaning of these birthstones is, health and long life), the flower is the rose.

As for Wedding Anniversaries, for those who need a reminder:

1st - Paper;	2nd - Cotton
3rd - Leather	4th - Pewter
5th - wooden	6th - Copper
7th - Woolen	8th - Ivory
9th - Willow, straw	10th Tin
11 - Ebony	12 - Silk & Linen

15 - Crystal	20 - China

Have you started barbecuing yet? Send in your tested recipes and tell us about your successful experiments for interesting reading throughout the summer, as well as any good recipes for quick nourishing lunches for campers and stay-at-homes.

Mrs. M. B. Coleman was the delegate from St. Albert to the W.I.'s Bi-annual convention held recently at the Convocation Hall, U. of A. Approximately 400 attended the convention.

One of the biggest projects is to have a Provincial office in Edmonton. Another is taking Alberta Iovlier, as well as a project to provide a chair from all provinces for the new Federation Building. Each Province is to work a coat of arms in needlepoint for every chair.

Many scholarships are being organized to celebrate the 50th Anniversary. The handicrafts were beautiful and varied. Mrs. Coleman attested to the fact that the Convention was an overall success. Burnham Bush held a Patio Party in the Legion Hall June 3rd. The event went over very well, and the members wish to thank everyone who dropped in and helped make it a success. The next meeting will be in September, the date being announced later.

A special postage stamp to honour the centenary of the birth of Sir Wilfred Grenfell, author and medical missionary to Newfoundland and Labrador, will be issued by the Canada Post Office on June 9th, it was announced today by the Hon. René Tremblay, Postmaster General.

Mr. Tremblay said that the special stamp would be in addition to the regular philatelic programme already undertaken by the Post Office for 1965.

He was a prodigious author, writing more than 20 books, mostly about Newfoundland and Labrador. His work has been continued by the International Grenfell Association which operates health and welfare stations at a score of places in Northern Newfoundland and Labrador.

OUTMODED?

There must be self-discipline and self-sacrifice in the churches. There are too many members who pick and choose what they will support, the things to which they will give services to, will attend. The church is the only organization I know to which you may belong, remain in good standing and yet never attend, never give, never do anything and still criticize everything that happens and expect some words of high praise in the eulogy when you die." T. Cecil Myers.

hold services and this was obtained in 1944. The group organized a Church school program, a women's group, a Boys Group and regular worship services. Participation in a Church Camp program began in 1944 and continued. Vacation schools and Church Socials have played a great part in the life of the group. In February 1951, a petition was presented by the group to the Edmonton Presbytery, United Church of Canada, asking that a congregation be established in St. Albert which would be served by the minister and student assistant of St. Albert. This was granted and the former, inaugural service was held last Sunday. Nine persons formally constituted the new congregation, six presented letters of transfer and three joined by profession of faith. There are now thirty members. The members are listed on the membership and interests list. A Pot Luck Supper will be held the evening of June 13, 1951. All are invited. A group of youth will be held the evening of June 13, 1951.
